

Relax...it's Rio!

**No Green Thumb?
No Time?
No Problem!**

Rio™ Dipladenias are Canada's easiest garden flower! Choose pots, planters and hanging baskets for your home or cottage, patio or garden beds, then sit back, relax and watch the non-stop bloom show as your Rios thrive all season long. These plants are Rio-diculously low-maintenance and require very little water or care. You'll be amazed how easy it is to beautify your special spaces from early spring through the first hard frost of winter!

Available in deep red, glistening white, hot and light pink blooms, Rios will turn your backyard into a spectacular Carnival of Blooms®.
